## Excellent Environments – Austrian Builder-Owner Award 2015

This year's award ceremony took place at the end of October at Werkraum Bregenzerwald, as part of a special celebratory event. Honorary juries in each of Austria's federal provinces shortlisted up to five projects from around 100 submissions. An international jury – the members were Walter Angonese (South Tyrol), Hemma Fasch (Vienna) and Otto Kapfinger (Vienna) – then selected this year's six prizewinners. This meticulous approach ensures that the award-winning developments live up to international standards.

**All of the nominees, including the six winning entries, will go on display on 26 November at Vienna's Ringturm tower, as part of Wiener Städtische Versicherungsverein's Architektur im Ringturm exhibition series.**
